

## CAMCAD - Training & Consulting Services

Pricing effective Jan 1, 2018.

### 1. On-Site Training .....\$1,950/day incl T&E

- On-site basic or advanced training daily rate, two-day minimum with 10-day advance notice. Customer to provide computers, projector and training facilities unless Item #7 (Computers & Projection System) is purchased. Instructor travel expenses are included. CAMCAD will supply software, training SIMs, and course materials.

### 2. Classroom Training .....\$1,500/student

- Classroom training is priced per-student as defined in our current published training schedule at [www/camcadtech.com](http://www.camcadtech.com). CAMCAD reserves the right to cancel any class 10 days prior to class start date. If a class is cancelled all registered students will be notified of the next available class dates. Tuition is due the first day of class. Advance tuition payments will be refunded upon request or applied to the next available class.

### 3. Internet E-Training .....\$150/hour

- E-Training or consulting hourly rate at mutually agreed dates and times. Your Internet connection must meet CAMCAD's requirements to qualify for E-Training, and sessions are limited to 2-hours each. Minimum purchase of 4-hours. Allow two-day advance notice for scheduling each session.

### 4. Consulting, Onsite - 10 Day Advance Notice .....\$1,950/day incl T&E

- Consulting, contract part programming or postprocessor configuration daily rate, two-day minimum with 10-day advance notice, all travel expense included. CAMCAD may require an on-site visit as part of an initial consulting task at a given company; thereafter the on-site requirement is optional.

### 5. Consulting, Onsite - No Advance Notice .....\$2,500/day + T&E

- Consulting, contract part programming or postprocessor configuration daily rate without advance notice. Travel expenses are not included. CAMCAD may require an on-site visit as part of an initial consulting task for a given company; thereafter the on-site requirement is optional.

### 6. Remote Contract Programming.....\$150/hour

- Remote contract part programming hourly rate, payable via credit card or advance PO. Four-hour minimum. You will be billed actual hours after agreement on detailed specs.

### 7. Computers & Projection System .....\$500 incl shipping

- Six CAMCAD-certified DELL laptop computers fully loaded with Windows 10 Professional and the most current versions of SolidWorks and SURFCAM software. Also included is a high resolution projection system. All components are shipped in a heavy-duty shipping container for instant classroom setup. Price includes two-way shipping anywhere in North America.

Prices and terms are subject to change without notice.

T&E included subject to 10-day advance notice, 2-day minimum except where noted.
